**Participant Information**

Thank you for participating in our program. Please find the re-registration packet that must be completed annually. Complete the forms and then return them to Missy.

Your safety and well being is our most important concern. Certain conditions require additional precautions to be taken when on or around horses and some conditions are contraindications to riding. Some conditions change throughout the year and a physician form is required yearly along with our release forms. Your physician must complete the Physician Release/Participant Medical History Form. Should the physical condition of the participant change at any time, Beyond Balance should be notified immediately and a new Physician Release Form must be completed.

The group lesson fee at Beyond Balance is \$35 for a ½ hour to 45 minute lesson depending on involvement of the participant. Private lessons may also be available depending on class schedules. This fee covers only a portion of the estimated operating cost for each participant. The remainder of the cost is covered by donations and fundraising. There are a limited number of riding scholarships available to participants in need of financial support. Please call our administrative office for further information.

Please fill out the contact information below and return with your registration packet.

Thank you for your continued support!

## Participant Policies and Procedures

Listed below are policies and procedures for our participants. Some of our policies have changed, please read this form in its entirety then sign below and return it to the office.

### **Participant limitations**

**Beyond Balance** offers therapeutic horseback riding and provides service to adults and children 4 years and older. Due to the nature of the horses work, Beyond Balance has a weight limit of 180 lbs. or less for ambulatory persons. Weight limitations may differ for persons requiring a full transfer and will be at the discretion of the instructor. Certain conditions require additional precautions to be taken when on or around horses and **some conditions are contraindications to riding**. Horseback riding may not be a suitable recreational activity for certain individuals. Most activities have some type of precautions and contraindications for participation and horse riding is no exception. Behavioral issues that may cause harm to the animals, instructors, volunteers or place the participant in a dangerous situation cannot be tolerated, individuals who have spinal curvatures that are unable to accommodate the movement of the horse, or those who lack neck and trunk control to name a few may not be suitable participants.

Your physician will need to complete and sign the Physician Release/Participant Medical History Form. Should the physical condition of the participant change at any time, Beyond Balance should be notified immediately and a new Physician Release form must be completed. All participant forms will need to be updated on an annual basis.

### *Clothing*

Participants should wear long pants such as riding breeches, jeans or leggings to prevent chafing of legs. Shoes or boots with a rounded toe and small heel are the safest form of footwear.

Participants should avoid wearing jewelry, especially long dangling earrings. Safety helmets that meet ASTM-SEI requirements are required to be worn by all participants and will be provided for you.

### *Inclement weather*

Please do not assume that classes will be cancelled due to bad weather. For some participants, it may mean that a stable management/horse care class will take place in the barn. If classes are cancelled a recorded announcement will be left on the Beyond Balance answer machine. If you hear the message on the machine, please leave your name to confirm you have heard the recording. We will also do our best to notify the participant of any changes or cancellations due to weather.

### *Cancellation Policy*

It is difficult to re-schedule both horses and volunteers at short notice. If you know in advance that you have prior commitments and will be unable to attend a class, please advise us as soon as possible by calling the office at 609.969.8899. Participants who "no-show" and cancellations within 24hrs of the scheduled lesson time will forfeit the lesson cost. Three "no-shows" or late cancellations in a session will result in dismissal from the session and the participant will be put on the waiting list.

***Make-up policy***

Make-up classes will only be offered if there is an appropriate class time, horse and instructor available. There will be no make-ups offered for "no-shows" and late cancellations. Beyond Balance reserves the right to reschedule, cancel and amend classes and the operating calendar at any time.

***Payment Policy***

All participant fees must be prepaid We are currently offering \$210 for 6 lessons with the 7th free, must be paid in advance for the upcoming session. We request that the cost of the entire session is paid in full prior to attending the first class. Alternative payment options may be available. If your balance becomes 30 days past due the participant will be unable to participate until balance is paid or other arrangements have been made. Please do not give your payments directly to the instructor; mail your check to: 1148 Smithville Rd. Mount Holly, NJ 08060. Or give to Missy or Susy.

**Ways to Help**

Parents are always encouraged to offer their support by volunteering during the participant's lesson time. There are many ways to help, if interested please contact the office.

**Yes, I am interested in volunteering**
